COONAWARRA \ *Our Story*

Coonawarra is Australia's leading Cabernet Sauvignon producing region. It's one of the few regions where free-draining soils and maritime ripening conditions create the ultimate varietal expression of this noble grape, producing some of the world's most collectible wines.

Famous for its vivid red soil and world-class red wines, Coonawarra is one of Australia's most internationally celebrated wine regions. Situated in the Limestone Coast region of South Australia, close to the Victorian border, 375 kilometres south east of Adelaide and 427 kilometres west of Melbourne, the Coonawarra Wine Region is set upon a cigar-shaped parcel of land, only 27 kilometres long and a couple of kilometres wide, making it a highly coveted and zealously guarded premium grape growing region.

What makes this area so special is one of the most famous terroirs in the southern hemisphere: the combination of a thin layer of unique rich, red top soil ('terra rossa' or 'red earth') over an ancient limestone mantle encasing a pure, underground aquifer.

Add to that a maritime climate with a long, cool ripening season and you have ideal conditions for producing outstanding, elegant and award-winning wines.

Best known for exceptional Cabernet Sauvignon, Coonawarra also excels in the production of ultra-premium Shiraz, Merlot, Chardonnay and Riesling.

The wines of Coonawarra speak not just of the famous terroir, but also of the local community and people who give these wines their character.

It began in 1890 with John Riddoch's first plantings of vines, then carried into the next century by the Redman Family, and later by Wynns in 1951. These names are still revered, and their vision and heritage is proudly upheld by the world-class wineries which now call Coonawarra home.

Today, new generations of old winemaking families toil alongside an influx of fresh talent to ensure the spirit of the Coonawarra wine region continues to thrive.

It is a community that's vibrant, passionate, sophisticated and unique – one that honours tradition while embracing innovation and nurturing sustainable viticulture for the future.

Coonawarra's wines drink fabulously well at release, but it is no secret that the wines evolve and achieve greater complexity with age.

Its reds, Cabernet Sauvignon and Shiraz in particular, not only taste exceptional when young, but also cellar brilliantly – for decades at a time! The aging ability of Coonawarra wines is world class – a fact endorsed by generations of collectors around the world.

Together, the landscape, the people and the passion work in harmony to create a signature wine region that delivers on a myriad of levels.

Take the time to savour our wines.
Smell it, taste it and experience it for yourself.

Banks Thargo Wines, located on the eastern side of Coonawarra, was established in 1990.

The vineyard, which surrounds the picturesque Penola Racecourse, has plantings of Cabernet Sauvignon, Merlot and Chardonnay.

One of the smallest wine producers in Coonawarra, Banks Thargo Wines is entirely family owned and currently run by Jon and Heather Kidman.

Banks Thargo's aim is to consistently produce quality wines with strong varietal flavours and intense colours.

They achieve this by keeping their cropping levels low by hand pruning and of course a little help with Coonawarra's cool climate and famous Terra Rossa soil.

Bellwether is based in an 1868 stone shearing shed - an eclectic mix of history, art, wine and fun. The winery is in the heart of the building along with our kitchen and cellar door - in vintage time you will see and smell the ferments.

Created by Sue Bell - Bellwether has a little bit of magic to it. The wines are made from small but exceptional parcels of fruit - including cutting edge Mediterranean varietals as well as a contemporary look at the classics, using 100% indigenous yeast - they are fragrant and textural.

Sue has won numerous awards with a respected palate as a regular wine show judge.

Billy Brand Wines is entirely family-owned and operated, led by Bill Brand together with his sons Damien and Trent, and daughter Sonya. Their state-of-the-art Boutique Winery is located at the northern end of the famous Terra Rossa strip of Coonawarra.

The Brand family has a long history in Coonawarra with Bill's first vintage dating back to 1966, establishing the iconic wine label Brands Laira with his Father Eric Brand and brother Jim in what would be a 30 year partnership, raising the profile of Coonawarra as a premium Australian wine region.

During this time Bill was deeply involved with the South Australian Vine Improvement Association importing new varieties and selecting, testing, and propagating better clones of the varieties already in Australia. This was very important in developing productive yields and increased true-to-type flavours for premium wines throughout the whole of the Australian wine industry.

It was following the sale of the winery, that Bill Brand Family Vineyards was established, comprising a collection of small vineyards of outstanding fruit flavour and balance located across the whole of the Coonawarra Region.

Grape varieties include Cabernet Sauvignon, Shiraz, Merlot, Pinot Noir, Petit Verdot, Tannat, and Chardonnay, all Certified Sustainable Vineyards. Billy Brand Wines are traditional in style and an honest expression of the variety, location, viticulture and seasonal variation. Estate grown, made and bottled.

Unearth Coonawarra's Hidden Gem

Brand's Laira – rated a '5 star winery' by James Halliday, is an iconic winery, nestled in the heart of the famed "terra rossa" strip of the Coonawarra region in South Australia. Steeped in heritage with a wealth of old vine vineyards dating back to 1893, Brand's Laira offers a range of elegant yet richly flavoured premium wines from this distinct region.

Brand's Laira Coonawarra's winemaking philosophy is simple; they source the best possible fruit and use their unrivalled knowledge of the land and winemaking expertise to create world renowned wines in true Coonawarra style.

The full range of Brand's Laira wines are available for tasting at the Cellar Door; award winning Cabernet Sauvignon, Shiraz, Riesling, Fume Blanc, Chardonnay, Rose and a Bordeaux Blend.

Guests can pre-order a delicious Ploughman's platter for $25pp. Platters can be enjoyed in Eric Brand's personal cellar, or on the beautiful lawns.

The team look forward to welcoming you and giving you a taste of the real Coonawarra.

Established in 1989 Bundalong Coonawarra focuses on quality over quantity.

Bundalong has been in the Porter family for over 65 years. An old shallow quarry with exposed red topsoil suggested the presence of Coonawarra's world renowned terra rossa soil and led us to the planting of vines.

The first Cabernet Sauvignon was planted in 1989 followed by Shiraz. Originally all grapes were sold to the largest buyer in Coonawarra, with some blocks being graded in the top 5%.

The objective has always been quality rather than quantity, making wine in the very best vintages using specially selected parcels of fruit from the single Coonawarra vineyard. Intimate knowledge of the vineyard enables the Bundalong team to manage the soil and microclimate to carefully balance the canopy and crop to produce a layering of flavours.

In 2008 Bundalong Coonawarra produced their first premium wines, scoring a 5 star ranking by Halliday. The subsequent vintage 2012 was also held in high esteem by Halliday with 95 points, demonstrating their commitment to quality rather than quantity.

Bundalong celebrates the vineyard's 35th birthday in 2025.

PROCESSOR 3005P
AUSTRALIAN CERTIFIED ORGANIC

Carlei Estate Wines and Carlei Green Vineyards are a certified Organic and Biodynamic Winery, producing wines sourced from Heathcote, Upper Beaconsfield and Coonawarra Wine Region.

Winemaker & Director Sergio Carlei has been at the forefront of biodynamic winegrowing for 25 years, researching cosmic influences on flavour profiles in wine since 2004.

Biodynamic Farming encapsulates the connection between terrestrial and cosmic forces, allowing the winery to produce consistent high quality 'Real Wines' that reflect their "Sense Of Place™".

Coonawarra is one of those great regions. This allows producers to redefine the term "terroir", traditionally known as the summation of site, soil, vine and the influence of human hand. With cosmic influences playing a role, a new term has been coined "Cosmoir", each wine having its own unique personality.

Carlei Estate winery is located in Upper Beaconsfield with vineyards in Coonawarra, Heathcote and Upper Beaconsfield.

Among the wines in the Carlei Estate Coonawarra Range are Merlot and Cabernet Sauvignon.

DiGiorgio
COONAWARRA

The second oldest winery in the heart of Coonawarra, previously known as Rouge Homme, became home to DiGiorgio Family Wines in March, 2002. The centrally located winery has provided the family with both modern and traditional technology which allows them to produce wines of outstanding character.

Traditional Coonawarra varietals from the famed Terra Rossa soils are crafted alongside alternative varieties sourced from other Limestone Coast regions where their winemakers believe the terroir is best suited. Original home block wines from the Lucindale range are also crafted on site.

When visiting the cellar door you will have the opportunity to sample sparkling, white, rosé and red wines plus a dessert and fortified wine from their extensive portfolio. Relax in the heated outdoor room and take in the beautifully landscaped garden and lawn with views of the vineyard while enjoying a customised 'Build your own Produce Platter' with a glass of wine. The kids can amuse themselves with activities from the toy box, totem tennis, bocce, a scavenger hunt or enjoy their own snack pack.

See for yourself the famous Terra Rossa soil in their soil profile, marvel at the gnarly 100 year old vines, walk amongst their cork tree forest and learn how wine corks are made. Also on offer are bespoke, bookable experiences, including food and wine matching, private tours and tastings and pasta master classes. Visit the website for more details.

Located in Coonawarra, South Australia, Koonara Wines was established in 1992 by Dru Reschke on vineyards he planted with his father Trevor in the late 1980s.

Dru continues his passion for wine with his wife Nicole, who lives on the property with their daughters Lucy and Alice. Their Coonawarra vineyards are organically grown and certified and have been since 2017. They have not used pesticides on their Coonawarra vineyards in over 15 years.

Koonara believes in creating wines that are high quality and age-worthy. All of their wines are vegan-friendly, low in sulphur and have no (or low) residual sugar and all of their reds are aged in 100% fine-grain French Oak barrels.

They were awarded a "Five Star Winery" rating in the James Halliday 2019 Wine Companion, and were reviewed as "one of the best wineries in Coonawarra… a real highlight and a must to check out" from the West Australian.

Sydney Hamilton (1898-1987) was a noted Australian oenologist, with a winemaking career spanning nearly 60 years.

In 1974, at 76 years of age, he selected a fine piece of 'Terra Rossa' country at Coonawarra to fulfil a life's ambition, to grow and produce a classic Australian Cabernet Sauvignon.

He named the estate Leconfield, after his English ancestor, Lord Leconfield, and set about establishing a remarkable reputation for Leconfield Coonawarra Cabernet Sauvignon.

In 1981 Sydney retired, and his nephew Dr Richard Hamilton purchased the company, retaining this gem of the Australian Wine Industry in family hands.

The 43.7 hectare vineyard produces fruit with distinctive regional character.

Winemaker Paul Gordon is injecting passion and inspiration into the Leconfield range of wines, producing outstanding Cabernet Sauvignon, Merlot, Cabernet Blend, Cabernet Franc, Petit Verdot, Shiraz, Riesling, Chardonnay, Rosé, Sparkling Shiraz, Sparkling Rosé and Sparkling Chardonnay Pinot Noir, together with our new wines, the Leconfield Blanc de Blancs sparkling & Syd Tawny.

Situated on the eastern edge of the renowned Coonawarra terra rossa strip, Majella is owned and operated by the Lynn family - brothers Brian and Anthony, and the next generation: Peter, Steven, Nerys, Gerard, Michael, and Daniel. With a legacy spanning five generations in Coonawarra district, the Lynn family's journey began in 1968 when they decided to diversify from prime lamb production and establish the Majella vineyards.

The brothers' vision transformed a picturesque "terra rossa" bank on the front of the farm into a vineyard in 1968. Over the years, the vineyards have expanded with additional Cabernet Sauvignon and Shiraz blocks, complemented by small plantings of Merlot and Riesling. The vineyard blocks now cover 60 hectares.

Majella is more than just vineyards, the remainder of their land continues to be used for prime lamb production. As you view the picturesque vineyards from Majella's cellar door sales, you may even catch a glimpse of sheep grazing amidst the vines during the off season.

Throughout the years, Majella has gained a reputation for consistently producing award-winning wines with a unique and distinctive style. Majella offers an impressive range that caters to a variety of palates. From the super premium Cabernet Sauvignon, the GPL68, to the uniquely Australian blend of Cabernet Sauvignon and Shiraz of the Malleea and the ever-popular Musician, which is always a favourite among wine enthusiasts.

Majella's straight varietals of Cabernet Sauvignon, Shiraz, Merlot, and Riesling showcase the true essence of Coonawarra. Our Sparkling Shiraz is a true delight for the senses for all occasions.

It was only ever supposed to be temporary.

John and Melissa moved to the iconic Coonawarra region over thirty years ago intending to, in John's words, "stay a little while."

They bought a parcel of land ringed by tall Red Gum Eucalypts, with natural wetlands dotted with Ottelia Ovalifolia, a native water lily. In 1993, they planted 2 Ha of Cabernet Sauvignon, over time the vineyard has expanded to 9 Ha with a winery that sits behind the house.

All these years later, John and Melissa are still there, with the addition of their eldest daughter Matilda and her partner Paul. Together the two generations work side by side, crafting distinct wines that speak of the unique regions within the Limestone Coast.

Step into the historic Coonawarra school house, home to the Ottelia tasting room and restaurant, for a lesson in food and wine pairing. Taste across their range of Limestone Coast wines, including Coonawarra Shiraz and Cabernet.

Wine tastings for groups of 6+ are by appointment only.

PARKER ESTATE

The Parker Estate story all started with one man's vision to defy expectations. John Parker believed that with the right patch of dirt, the right climate and the right clones, he could craft Cabernet which rivalled the greatest Cabernet in the world. And he did, with his inaugural release, the 1988 First Growth, which caught the world's attention and put Parker firmly on the map.

Today, the iconic Parker Estate limestone winery still sits at the heart of John's Abbey Vineyard and is home to our cellar door, tasting room and striking event and wedding space which looks out onto the original vines and surrounding lawns where you can enjoy an afternoon in the sun.

Whether your first stop when leaving Penola, or your last of the day, we really do have something for everybody; a variety of tastings that showcase our award-winning wines including our most affordable, rarest and specials from the cellar. Our small batch wines are a crowd favourite and we offer gin tastings with our boutique selection of Cabernet inspired gin and our Parker Estate draught beer is the perfect palate cleanser. All can be enjoyed over a Parker Estate pie or a plate of arancini (vegetarian). Bookings encouraged but walk-ins are very welcome.

Parker Estate is a Halliday Wine Red Star Winery and Sustainable Winegrowing of Australia accredited.

A premium family-owned estate in the heart of Coonawarra.

A second generation small business crafting remarkable wines with innovation, humility, inclusivity and curiosity. We have a deep love for heritage styles, paired with an excitement for the new. This duality is who we are.

During a decorated career spanning more than three decades, Patrick celebrated international accolades while working as chief winemaker for several major labels.

His focus switched in 1998, to fulfilling a more personal goal, in the establishment of the family owned and operated Patrick of Coonawarra.

Patrick's eldest son, Luke, has now taken over the family business and continues to produce highly regarded wines from the famed Terra Rossa soils of Coonawarra.

"It's always a winemaker's dream to complete the story... To grow, make and sell our own produce gives us an enormous sense of accomplishment." — Luke

Penfolds Coonawarra Vineyards are located on almost 200 hectares of prime weathered limestone terra rossa soil.

Since arriving in the region in the 1960's, Penfolds have been sourcing fruit from various vineyards with the famed terra rossa soils and relatively cool climates making Coonawarra one of Australia's most important fine wine regions.

Coonawarra vineyards are now entirely planted to premium red wine varietals, including Cabernet Sauvignon and Shiraz.

Vineyard management has progressed substantially since Penfolds arrived in the region, with the fruit from Coonawarrra now contributing to many of Penfolds Bin range including Bin 128 Coonawarra Shiraz, Bin 407 Cabernet Sauvignon, Bin 389 Cabernet Shiraz, Bin 169 Coonawarra Cabernet Sauvignon, Bin 707 Cabernet Sauvignon and Penfolds Grange.

They've taken the old Roller and painted it red. To make it go faster, to be fun and breezy. So that everyone can enjoy the ride. And appreciate the timelessness of a new beginning.

They are the pedigree that's been let off the leash. To run, discover and play. To be brought to life.

They are the wines with carefree souls; the wines for now and the wines for later. They are the vibrancy of the terra rossa, celebrating the fruit and honouring the vine.

Their wine maker Kate Goodman is regarded as one of Australia's best contemporary winemakers. Kate is creating wines with freshness and vibrancy – seeking structure and expression of fruit – while still retaining varietal integrity.

All of their wines are truly estate grown and their vineyards are the pride of everything they do. They seek balance and take a very holistic approach to their viticultural practices. Seeking to create a balance between the soil and the vine.

They are contemporary Coonawarra.

Coonawarra's oldest winemaking family have now been producing premium red wines for over 110 years.

Bill Redman arrived in 1901 to learn the art and skill of making red wines. 1908 saw him purchase 40 acres of vineyard and make his first wines.

This property became the basis of the Redman family holdings for the next 58 years. In 1937 Owen Redman joined his father, and through many trials and tribulations, they established Coonawarra as the leading red wine producing area of Australia.

In 1965, the original family holdings were sold. Owen Redman immediately bought a small vineyard and the first wines under his new 'REDMAN' label were made in 1966, with the current winery being built for the 1969 vintage.

Many changes have occurred in the vineyards and winery, but the Redman winemaking traditions can still be traced back to lessons learnt by Bill Redman.

Following in this family tradition, third and fourth generation winemakers, Bruce, Malcolm, Daniel and Michael continue to make the elegant high quality red wines for which the Redman name has become renowned.

Regarded as one of the founding fathers of Australian wine, the pioneering John Riddoch was perhaps the first to realise the rich potential of the Coonawarra region. It was more than 130 years ago that John Riddoch planted the region's first vines and, in doing so, positioned himself firmly in Australian winemaking history. The award-winning collection that Riddoch Coonawarra Wines produce today, in his name, hail from the very same region.

Today, Riddoch Coonawarra continues to take advantage of the ideal conditions provided by the unique bed of gravelly, free-draining limestone found in the region. From the Jimmy Watson Memorial Trophy win in 1987, Riddoch Coonawarra continues to take advantage of the consistent and distinctive fruit flavours of the region and surrounds. Crafted in harmony with the long, cool ripening season of the area, a climate remarkably similar to that of Bordeaux.

With the legacy now carried by Matthew Reimann, it is with pride in all that he makes, presenting the award-winning wines of Riddoch Coonawarra, from everyday wines through to premium red wines, suitable for gifting and cellaring for prosperity.

Did You Know

The 1986 vintage Riddoch Coonawarra Cabernet Shiraz was awarded the Jimmy Watson trophy in 1987. This is arguably Australia's most coveted wine trophy.

Rymill Coonawarra was established in 1974 by Peter Rymill – great-grandson of John Riddoch, the founder of Coonawarra. Since then, Rymill Coonawarra has built on this legacy and evolved into a destination described as a 'must visit' by regarded wine critic James Halliday.

The Rymill vineyards produce a diverse range, sustainably grown from fertile terra rossa soil and crafted inside the stunning winery on site.

The multi-story winery offers visitors spectacular views of the vineyard and winery, with a self-guided tour across the viewing platforms.

The cellar door experience is complete with barista coffee available, along with a range of platters showcasing South Australian produce, available to graze while enjoying the surrounds of the picturesque Rymill Estate.

St Hugo wines were created to honour the legacy of Hugo Gramp, who became Managing Director of G. Gramp and Sons winery in 1920 when he was just 25 years of age.

The home of St Hugo is located in the Barossa Valley where he lived and worked his entire life. Although St Hugo does not have a cellar door in Coonawarra, visitors can see two of the St Hugo vineyards along Riddoch Highway.

In 1980, the first vintage of St Hugo was harvested – a Cabernet Sauvignon of exceptional quality from the Coonawarra region, to be later released in 1983.

In the 30 + years since, St Hugo has established a reputation for excellence. The wines have earned over 1,671 awards at wine shows, including 38 trophies and 273 gold medals, which are testament to our outstanding quality and impeccable style.

St Hugo Coonawarra Cabernet Sauvignon is a leading premium Cabernet Sauvignon in Australia. It has been listed on Langton's Classification of Australian wines since 2005, proving it to be one of Australia's most sought after wine labels by wine collectors.

From the original home vineyard plantings in 1987 to the purchase and renovation of the cellar door in 2016 and the building of the new winery in 2020, Brian and Jennifer, son Angus and wife Heather along with the now third generation George, the Smibert Family has set the foundation of a great Family tradition.

In 2010 the label, "Whistle Post" evolved from two decades of growing and harvesting premium fruit from selected sections of the vineyards. The family are proud of their wines which consistently display the unique characteristics for which Coonawarra is famous.

Along the border of the two vineyards runs the old Coonawarra-Adelaide railway track.

The "Whistle Post" beside the tracks prompted the passing Trains to sound their warning whistle as they approached the nearby V& A Lane crossing.

Whistle Post Wines are made using only Estate fruit grown from two vineyards in central and southern Coonawarra. Plantings across the vineyards include Cabernet Sauvignon, Merlot, Shiraz, Cabernet Franc, Pinot noir and Chardonnay. Our wines include all of the above varieties plus a Traditional Method Vintage sparkling Pinot/Chardonnay.

Enjoy a tasting at the stunning cellar door, hosted by a member of the Smibert Family. Settle in by the wood fire, stretch out on the deck or on the lawns with vista vineyard views to be enjoyed. Wine by the glass available. Lawn games available.

Wynns Coonawarra Estate was founded by Scottish pioneer John Riddoch, who planted vineyards in 1891 recognising the potential of the rich, red Terra Rossa topsoil and the long ripening season of Coonawarra's cool southerly climate. He completed the Estate's three-gabled winery in 1896.

Coonawarra's revival began in 1951 when Melbourne wine merchants Samuel and David Wynn purchased Riddoch's original vineyards and winery. The Wynns recognised the intrinsic qualities of Coonawarra wines – their richness and intensity of fruit character – and set out to build an independent identity for the region. They created the famous three-gabled label that has made John Riddoch's winery one of Australia's best-known buildings.

Today, Wynns Coonawarra Estate is the region's largest single vineyard holder on Terra Rossa soil and Coonawarra's pre-eminent wine maker.

With the most premium and longest established vineyards in Coonawarra, Wynns Coonawarra Estate wines are regarded as benchmarks for the district, lauded for their sheer depth and concentration of flavour.

Housed in the three-gabled winery, Wynns Cellar Door, invites guests to explore the history of Coonawarra and experience our wines from Cabernet, Shiraz and Merlot varietals to Pinot Grigio, Riesling and Chardonnay.

The Wynns Coonawarra Cellar Door offers a selection of tasting experiences to choose from, showcasing current and back vintage wines. Wines by the glass, cheese platters, plus an extensive cellar of back vintage wines and magnums make a visit to Wynns a must.

Established in 1849, Yalumba is Australia's most historic family owned wine company. It remains fiercely independent and extremely progressive through the generational ownership by the Hill-Smith family.

Yalumba's longevity and success is a result of patience, collaboration and progressive thinking. There is foresight to embrace the natural terroir to craft wines with individual character and a sense of purpose, a spirit to reinvest in the land upon which it operates and knowledge to behave as a leader in the industry. It is committed to sharing stories of provenance gathered over more than 168 years of history of family winemaking.

To own a vineyard upon the famous 'terra rossa' soil over limestone is the holy grail of all Cabernet Sauvignon purists. Since 1987, the Hill-Smith family has counted themselves among those fortunate enough to make an estate grown Coonawarra Cabernet Sauvignon.

It was named after red wine enthusiast and former Prime Minister Sir Robert Menzies, who so generously praised Yalumba's Special Vintage Galway Claret 1961 at an influential gathering in Adelaide in 1966.

The Menzies Estate Vineyard is Yalumba's distinguished Cabernet Sauvignon estate, crafting three exceptional single-site Cabernet Sauvignons in 'The Menzies', 'The Cigar' and 'Sanctum', with the Cabernet component of Yalumba's flagship blend 'The Caley' Cabernet and Shiraz coming from the Menzies Estate Vineyard.

Zema Estate is a family-owned winery with deep roots in Coonawarra and a proud Italian heritage. For over four decades, the Zema family has built a reputation for producing premium-quality wines that embody the essence of the Coonawarra region. Their commitment to excellence ensures consistency year after year, regardless of vintage or seasonal variations.

The winery specialises in exceptional Coonawarra Cabernet Sauvignon and Shiraz, wines that showcase the region's signature characteristics — intense fruit flavours, fine structure, and remarkable aging potential.

Every bottle is a testament to the Zema family's dedication, with hand pruning, careful fruit selection, meticulous viticulture, passionate winemaking, and diligent bottle aging creating wines that are a true expression of place and passion.

At the welcoming Cellar Door, guests can enjoy complimentary tastings of current release wines or indulge in a gourmet platter. Visitors can also browse a curated selection of gifts, including the much-loved Mrs. Zema's homemade chilli paste and olive oil, a nod to the family's Italian roots.

For an unforgettable experience, book a private tasting to explore rare museum wines in an exclusive setting. This intimate experience offers a deeper connection to the rich history, passion, and craftsmanship that define Zema Estate.

Coonawarra Rail Trail

Walk, ride or hit your stride along Coonawarra's newest Tourism Trail!

The Coonawarra Rail Trail, opened in November 2022, stretches 19km from the Penola township through the Coonawarra wine region.

The sealed trail commences in the southwest district of Penola and follows the unused Mount Gambier to Wolseley rail corridor, passing through the vineyards of Coonawarra and patches of fertile farmland to end near Father Woods Park — home to seven sculptures depicting the lives of Father Julian Tenison Woods and Saint Mary of the Cross Mackillop.

Journey along the trail to enjoy picturesque scenery and explore the wineries of Coonawarra by foot, bike, scooter or wheelchair. Stop at the iconic Coonawarra Siding – the original railway platform - built by John Riddoch in 1898, allowing Coonawarra's premium fruits and wines to be transported around the nation and across the seas to Europe and beyond.

Suitable for:

- Cycling – Mountain, Touring & Hybrid Bikes
